**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have chosen Sonic for many reasons, but the main was that we did not like the service and the erratic speed AT&T provided combined with high prices because of their monopoly in our area. Competition is the only way to keep the "big companies" to play their usual game. We demand fair access to broadband. Now after going with Sonic we are paying less for better speed and service.
